

Its great fun being part of a team. We play together and enjoy being friends with each other. God wants each of us to be part of his team, too. Its a great big family team that stretches right around the world. This book contains thirty Bible readings and activities on the theme of belonging to Gods family, with stories and teaching drawn from both the Old and New Testament. It is one of four titles in a range of Bible reading books designed for 5-7s. The theme is explored through baptism, Pentecost, being Gods chosen people and being his church. Each of five distinct topics is covered in six double page spreads, comprising the Bible passage and a choice of related activities. The activities are based on things to do alone in the book, things to find or see related to the Bible passage, things to do with the whole family or with a group of friends and imagination or meditation idea. Each unit is followed by a prayer jotter, giving a prayer idea and a journal for the child to record their own journey of discovery.
