

In Conan #21, the award-winning team of Kurt Busiek and Cary Nord continue their adaptation of one of Robert E. Howard's greatest Conan stories with the second part of The Tower of the Elephant. Conan, at the side of Taurus, Prince of Thieves, assaults the dreaded Elephant Tower but deadly peril awaits at every turn, from hungry lions to giant spiders, and it'll take all his barbarian skill merely to stay alive long enough to make it inside. Yet, once inside, he finds the tower holds secrets far stranger and darker than anything Conan could have prepared for. Colorist Dave Stewart won a 2005 Eisner Award for his work on B.P.R.D. and Conan. Cary Nord and Thomas Yeates were nominated for a 2005 Eisner Award for Best Penciller/Inker or Penciller/Inker Team.
