

These books are designed for first-time performers or weekend warriors who are learning how to play in a band. This volume includes parts and playing tips for the entire band: guitar, bass, drums, keyboard and singer! Each book comes with two CDs that contain full-band tracks for each song as well as minus-one tracks for each instrument for each song so players can practice on their own between band rehearsals. The CDs also feature Amazing Slow Downer software so you can use them in your computer to adjust the tempo of each track without changing the pitch. Five songs, including: Brown Eyed Girl (Van Morrison) 867-5309/Jenny (Tommy Tutone) Jessies Girl (Rick Springfield) Old Time Rock & Roll (Bob Seger) Sweet Caroline (Neil Diamond).
