

A wonderfully funny and fresh novel about the mother of all wedding seasons. Vi Connelly got the wedding bug at just six years of age. The thrill, the attention, the big white dress - it's the Best Day of Your Life, and it's seriously addictive! Unless, of course, it's always the best day of someone else's life. Now in her late twenties, Vi finds herself a bridesmaid time and again. She's honoured to perform her wedding duties, but watching everyone else's big day begins to make Vi wonder about her own. After years of dating, Vi's got an arsenal of funny stories to tell her friends, but deep down, her heart's still stuck on her ex - the gorgeous, eternally unobtainable Caleb. Then she meets someone new, someone who could turn out to be more than just another dating war-story. But just as love finally seems to be within reach, matters take an unexpected turn. To top things off, Vi is about to embark on the mother of all wedding seasons - her mission, should she choose to accept it, is to attend eleven weddings in eighteen months, and survive with her sanity, and her relationships, intact.
