

Raising four strong-willed younger siblings after her mother's death and her father's imprisonment, seventeen-year-old Lanie Freeman never knows what new adventure will roll into view?such as her brother's wild idea to turn the family's old truck into a traveling store. The Freeman Rolling Emporium could provide the financial security Lanie and her family so desperately need, or it could tear them apart. Yet it's only a prelude to other changes. Author Brent Hayden's arrival in Fairhope breathes fresh life into Lanie's dream of becoming a writer. And then the hammer descends! Lanie's father is diagnosed with cancer, and the faith and unity of her family are stretched to the limit. And on top of this shattering news, a crisis is about to strike that will rock the whole town of Fairhope?and shatter Lanie's dreams of love. The Miracle continues the story of a young woman's valiant struggle to uphold her faith, her family, and her dreams during the height of the Great Depression.
