

Worry Free Wealth Guide to Stock Market Investing and its FREE BONUS AUDIOS is a plain language, clear, concise, and powerful approach to stocks and investment strategy that Warren Buffet himself describes as the best for most stock market investors. In this premiere edition, readers will learn one simple -- 10 minute a year -- strategy to beat the S&P 500 returns and the latest indexed ETF and indexed mutual fund products for this approach -- the foundations for single stock strategies known to quadruple average stock market returns -- methods investors can use to avoid disasters such as Bernie Madoff and the stock market crash of 2007-2008 -- clear and easy to understand explanations of all complex principles hidden in the background of Wall Street, thoroughly updated reference lists, including new websites, new software, new brokers, and new publications. If you're building the foundation of your million-dollar stock market portfolio, The Worry Free Wealth Guide to Stock Market Investing is a resource that no serious investor can be without. The Worry Free Wealth Guide to Stock Market Investing is from bestselling Oxford Club expert and university finance professor Dr. Scott Brown. This book is recommended reading for anybody enrolled or enrolling in his landmark course, How To Build A Million Dollar Portfolio From Scratch at InvestmentU.com. --- Dr. Scott Brown is one of the sharpest guys I know. And The Worry Free Wealth Guide to Stock Market Investing is essential reading. Highly recommended. --Alex Green, Oxford Club and Investment U Chairman ---
